Headlines Chair

Backrest

Available in your choice of 6 colours, the inner and outer frame are made from nylon to provide constant lumbar support.

Dynamic Mechanism

Fully synchronised tilt mechanism with multi-position locking and tension adjustment. Adjustable seat height and seat depth.

Versatile

Whatever your business may be, there's a Headlines chair waiting to exceed your expectations.

Adjustable Armrests

Soft padded for comfort with high-density foam. Features include retractable armrests to provide forearm support, left and right rotation for greater flexibility and adjustable arm height (80mm) to help relieve upper back and shoulder fatigue.

Chair Support

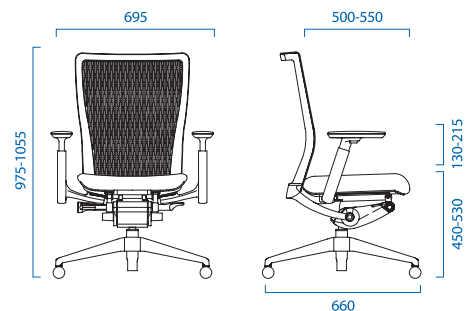

High arch nylon base equipped with hard dual wheel castors for mobility.

Vibrant Colours

Choose from 6 bold backrest colours - green, orange, white, black, blue and pink to brighten up or blend in with your surroundings.
